INDUSTRY NEWS

CDC study sheds new light on mental health crisis linked to coronavirus pandemic

A new CDC survey found that almost 41% of respondents are struggling with mental health issues stemming from the pandemic — both related to the coronavirus pandemic itself and the measures put in place to contain it, including physical distancing and stay-at-home orders.

BUSINESS NEWS & LEADERSHIP ARTICLES

The CEO moment: Leadership for a new era

Challenged by the global pandemic, CEOs have made four shifts in the way they lead that hold great promise for both companies and society. Will they build on this unique moment, or return to the ways of the past?

<https://www.mckinsey.com/featured-insights/leadership/the-ceo-moment-leadership-for-a-new-era?cid=other-eml-nsi-mjp-mck&hlkid=1eb67850101a4e0392dfbeea9343a303&hctky=9848910&hdpid=0804be08-a82e-464c-ba48-36a65af223bd>

Dig Deeper to Strengthen Workplace Problem Solving

Too often, we react to symptoms or throw solutions at poorly defined problems. The failure to get to the root cause and underlying assumptions behind something that seems to be a problem results in half-measures and new, resultant problems.

Overcome generational stereotypes to boost organizational performance

A multigenerational workforce is beneficial to employers for a number of reasons. Studies indicate that diverse organizations are more creative, innovative and profitable. But these benefits can only accrue if the organization's culture is inclusive and supportive.

The Personal And Professional Importance Of Having A Fluid Identity

It's interesting to see just how leaders struggle. After all, they're the ones with plenty of help: market intelligence, external board members, managers who ferret out information. Yet, a leader can get locked into a strong identity and be unable to get out.

https://www.howardyu.org/fluid-identity-your-corporate-strategy-depends-on-it-heres-how-you-can-achieve-it/?utm_source=sendinblue&utm_campaign=Fluid_Identity_July_2020_Test_3_A&utm_medium=email
